## PRESENTATION GUIDELINES

- Prior to the presentation, the judge will evaluate the written portion of the entry. The major emphasis of the written entry is on the content. Drawings, illustrations and graphic presentations (where allowed) will be judged for clarity, not artistic value.
- The participants, assuming the role of entrepreneurs, will have prepared a detailed comprehensive proposal to start a new business. The role of the judge is that of a potential source of capital for the business who evaluates as if actually going to approve (or disapprove) the request for financing.
- The participants will present the business plan proposal to the judge in a 15-minute presentation worth 40 points. (See Presentation Judging.)
- The presentation begins immediately after the introduction of the participants to the judge by the adult assistant. Each participant must take part in the presentation.
- Each participant may bring a copy of the written entry or note cards pertaining to the written entry and use as reference during the presentation.
- If time remains, the judge may ask questions pertaining to the proposal.
- The participants may use the following items during the oral presentation:
  - not more than three (3) standard-sized posters not to exceed 22½ inches by 30½ inches each. Participants may use both sides of the posters, but all attachments must fit within the poster dimensions.
  - one (1) standard-sized presentation display board not to exceed 36½ inches by 48½ inches.
  - one (1) desktop flip chart presentation easel 12 inches by 10 inches (dimensions of the page).
  - one (1) personal laptop computer.
  - cell phones/smartphones, iPods/MP3 players, iPads/tablets or any type of a hand-held, information sharing device will be allowed in written events *if* applicable to the presentation.
  - sound, as long as the volume is kept at a conversational level.
- Only visual aids that can be easily carried to the presentation by the actual participants will be permitted, and the participants themselves must set up the visuals. No set-up time will be allowed. Participants must furnish their own materials and equipment. No electrical power or Internet connection will be supplied.
- Materials appropriate to the situation may be handed to or left with judges in all competitive events. Items of monetary value may be handed to but may not be left with judges. Items such as flyers, brochures, pamphlets and business cards may be handed to or left with the judge. No food or drinks allowed.
- If any of these rules are violated, the adult assistant must be notified by the judge.

## PRESENTATION JUDGING

Participants will make a 15-minute presentation to you. You are role-playing a loan officer or venture capitalist. You may refer to the written entry, or to notes, during the presentation.

At the beginning of the presentation (after introduction), the participant will describe the proposal and make the request for financing. Allow the participants to complete this portion without interruption, unless you are asked to respond. Each participant must take part in the presentation..

If time remains, you may ask questions that seem appropriate, based on your notes or on the written entry itself (to which you may refer during the presentation).

At the conclusion of the presentation, thank the participants. Then complete the Presentation Evaluation Form, making sure to record a score for all categories. Maximum score for the presentation is 40 points.
